

The Chronicles

Aaryan Enthusia

"The more difficult the victory, the greater the happiness in winning." -Pele

The Aaryan Global School celebrated its Annual sports – Aaryan Enthusia on December 15, 2019. The aim behind holding the event was to inculcate the spirit of sportsmanship and fondness for sports in children. The day was a fun filled fest of laughter, energy and delight. The programme began with the Vice-Principal Ms. Arti Ohlan welcoming the esteemed gathering.

The Chief Guest Jagdish Singh (Boxing Coach) Dronacharya awardee and Guest of Honour lit the ceremonial torch followed by the spectacular, impressive and well synchronized March Past by all the four Houses Dograi, Haldighati, Kargil, Saragarhi. The Chief Guest presided over the oath taking ceremony and declared the sports meet open. This was entailed by the races wherein the participants participated with full verve and vigour. It was a delight to see the excitement with which the students challenged themselves to attempt a variety of races. The most intriguing aspect of the event was the splendid field drills, involving mass student participation.

The spectators were particularly enthused by the gymnastic performances and praised the efforts profusely. One highlight of the event was our "School Band- NEBULA" where students played various musical instruments and filled the atmosphere with energy and liveliness. Ishika won the 'Best Athlete Girl' Trophy and Piyush received the 'Best Athlete Boy' Trophy. Kargil house received maximum points and took away the Best House trophy. It was a day filled with sportsmanship, enthusiasm and memories to cherish. The Vice Principal of the school, thanked all the teachers and parents for their cooperation and support and advised children to keep up their sportsman spirit. The day concluded with the school song and National Anthem.

The Chronicles

Robotics

“Robotics can be a launching pad for students to realize their passions.”

Robotics can be a fun, easy and effective way to learn about programming. It is the key to a successful future for students with the interest and motivation to pursue career in this field. TAGS understand the importance of Robotics in education. Hence, it provided an opportunity to its students to participate in “Robotics Marathon 2.0- a State Level Championship- 2019-20”.

The students performed appreciably and grabbed first position in ‘Stem Innovation’. Such competitions encourage problem solving, creative thinking and a healthy sense of competition that drives innovation from students. Students had a wonderful experience and they felt motivated and confident after this participation.

Talent Show

Your talent is God's gift to you. What you do with it is your gift back to God. - Leo Buscaalia

Talent show serves a wonderful platform to encourage the students to explore and express their talent. To showcase the talent of students a 'SPECTACULAR TALENT' competition was organised in TAGS for Grade IV-VIII on December 27, 2019. The young talent with their creative minds and innate caliber were at their best.

They put up a scintillating display of their talent. All the events like dance, standup comedy, song, magic show, mimicry and many more kept the audience spellbound and entertained throughout. The show also helped to nurture the intrinsic qualities of students and removed the fear of stage among the students. The main objective of the show was to bring out the hidden talent of the students in front of all the audience. Participants were highly appreciated and they felt confident and motivated to hone their skills.

The Chronicles

IIMUN

**"It isn't enough to talk about peace. One must believe in it.
And it isn't enough to believe in it. One must work at it."**

The world has become a global village and no age is too young to prepare for the future for school students. IIMUN conference serve as an ideal stepping stone into the global arena.

We, at TAGS believe that the students of the day can be future leaders so we give them platform to participate in such conferences. The students of TAGS of grades VI to VIII participated in IIMUN conference on 28th and 29th Dec.

Preparing and participating in IIMUN helped students develop leadership skills, research writing, public speaking and problem solving skills. More over the exposure, also inculcated skills of negotiation, conflict resolution and cooperation. It was an informative and full of learning experience for all the students.
