Historical Character Parade

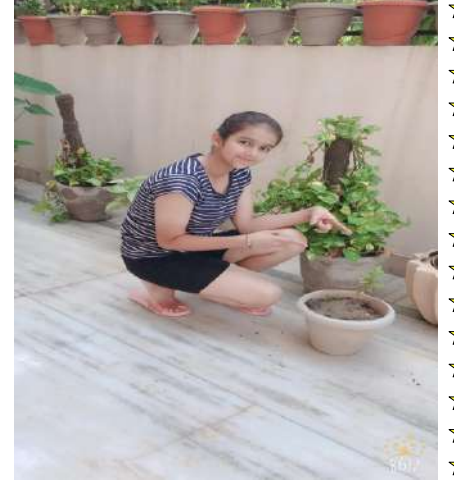

*"Revolution is an inalienable right of mankind. Freedom is an imperishable birthright of all."* - Bhagat Singh

The freedom fighters of India played an extensive role in getting independence for the country. Hundreds and thousands left everything, and many sacrificed their life for one common goal - freedom of India from foreign rule. These freedom fighters, activists and revolutionaries came from different backgrounds and philosophies to fight one common enemy-the foreign imperialists. While we are aware of several freedom fighters and revolutionaries, many have remained unsung heroes. So, we at TAGS made best efforts to present some of the most prominent freedom activists and revolutionaries by holding a "Historical Character Parade". Students of Grade IV to VI participated in this parade and portrayed different characters. The objective of the "Historical Character Parade" was to aware the students of the unsung heroes who made immense contribution towards India's struggle for freedom. Students learned about their dedication, determination, hard work, perseverance, positivity and much more through this parade.
