Dental Check-up

"A smile is the prettiest thing you will ever wear."

With an aim to promote and establish healthy Oral Care habits, TAGS organised an oral dental checkup by Amrit Charitable Dental Clinic on July 17 and 24, 2019. The team of doctors started with awareness talk, educating the students about tooth decay, gum diseases and measures to prevent them. Students were also made aware about the choices for the right foods and beverages which are of great importance to maintain good oral hygiene.

Regular dental visits are important because they help to keep teeth and gums healthy. Dr Rasita and her team along with the school GNM, Ms Suresh checked the overall oral health for any trouble areas. During the check up, they guided the students to take proper care of their oral hygiene.

The Chronicles

Inter-house Extempore

"Public speaking is the art of diluting a two minute idea with a two hour vocabulary and it takes a lot more when it comes to an extempore."

To imbibe a true spirit of learning and competition amongst students, an Inter-house extempore competition was held in The Aaryan Global School on 17th July, 2019. The main objective of extempore was to evaluate and check the knowledge of participants about specific topic and how creative one can be on the spot. The judgement was based on content, confidence, vocabulary, presence of mind and oratory skills. This activity was intended to give an opportunity to the students to build up their self confidence.

The fun was added in the competition when teachers joined the students. Students loved watching their teachers performing on the topic that were chosen for the students. The competition started with a slight stress but ended in fun and frolic.

The Chronicles

Field Trip

The best way of learning about anything is by doing.

-Richard Branson

Learning is the process of acquiring new knowledge or modifying the existing knowledge, behaviours, skills, values or preferences.

Learning is more effective when it comes through experiences. With this aim in mind, TAGS organised field trips for students of Grade VII and IX. Students of Grade IX were taken to paddy field on 25th July for better understanding of the ongoing Chapter-Improvement in Food Resources. They learnt the steps of paddy cultivation.

Students of Grade VII were taken to “Waste Water Treatment Plant” on 31st July to enhance the learning of ongoing chapter “Waste Water Story” in Science .The visit facilitated their understanding of how the waste water is treated and made harmless. It was an enriching and enjoyable experience.

The Chronicles

English and Hindi Creative Writing

"To write means more than putting pretty words on a page; the act of writing is to share a part of your soul with the world".

Creative Writing encourages kids to exercise their creative minds and practice using their imaginations. It improves their ability to come up with alternatives. This broadens their thought processes which can lead to success in many areas, including problem solving and analysis. English and Hindi creative writings were held on 10th July and 12th July respectively for the students of Grade III to IX.

The objective of Creative Writing was to expose students to their creative sides and to provide them with opportunities to create their own works. The best three write-ups from each grade were appreciated and the winners were awarded during the assembly. Now, TAGS look forward to our upcoming young writers to write school reports and monthly chronicles.

The Chronicles

Anti-Bullying Workshop

"The truest greatness lies in being kind, the truest wisdom in a happy mind."

To protect a child from becoming a victim of bully and to seek legal recourse in the event of the child being bullied, children and parents need to be aware of various laws related to bullying. So, to make the students and parents aware, TAGS organized a workshop on "Anti-bullying" on 22 July, 2019 in Swami Dayanand Saraswati Hall. The workshop was conducted by Mr Rajvir Kashyap, Advocate District Bar Association, Rohtak.

The students were made aware of their rights and various laws against bullying. Mr. Rajvir Kashyap told the students that the Government of India has come up with certain laws as an effort to combat this issue of bullying in schools and colleges. It was indeed an informative and knowledgeable workshop.

The Chronicles

Red Colour Day and Show & Tell

Elementary wing conducted 'Red Day' to introduce children into the mesmerizing realm of colors. The shades of red made our tiny tots feel bright, lively and cheerful. The day started with the colour red every-where like red dress, red rose, red teddy, here a red.....there a red.....red red everywhere.....our little ones spent a spectacular Red Day. It was a scintillating day with innocent faces gleaming and reflecting brightness, love and happiness.

There's nothing like a prop or an object to spark our little one's imagination- Students understand that objects have many stories to tell! Students of Grade Nur. and K.G. were eager communicators at the Show and Tell Competition on 19th and 20th July. This event inspired them to articulate their ideas.
