The children witnessed the teachers presenting an exclusive assembly for them. The great children friendly ambience was observed as the teachers conducted showers of various events and programmes like dance, music, skit etc especially for them.

The agenda of these programmes was very simple – just to get on with the flow and cherish the moments for the rest of the life. The Principal, Ms. Aarti Ohlan wished all the children happiness and added that they are the 'Nation Builders' as the future of the nation is vested in them. She expressed her hope that they would lead the nation successfully to its growth and prosperity, assuring them that they are loved and valued by all.

Nature Walk.

Plant seeds of happiness, hope, success, and love; it will all come back to you in abundance. This is the law of nature. It's always fun to help and be with our green friends as they help to keep our environment clean, in purifying air and giving us oxygen. A nature walk is an excellent way to stimulate a child's appreciation for the natural world. With an aim to inculcate love for nature TAGS ferried the students of grade IV-IX for a nature walk in the fields on 19th November 2021.
