World Post Day

*The contribution of postal services towards the societal and economic development of our country is immense.**

World Post Day is an international day that happens each year on October 9, the anniversary of the Universal Postal Union (UPU), which started in 1874 in Switzerland. The UPU was the start of the global communications revolution, introducing the ability to write letter to others all over the world. World Post Day started in 1969. Since then, countries all over the world take part in celebrations to highlight the importance of the postal service. To mark the anniversary of the establishment of the Universal Postal Union and to make the students aware of the history and importance of Postal Services World Post Day was celebrated on 9th October 2021 in The Aaryan Global School. The purpose of celebration was to make students aware of Postal Services and how social media has taken place of Post Office was also discussed.

The students of grade V-X wrote letters to their parents. Those letters were posted in post box. They were also given information about various services provided by the postal department. Students were enthusiastic and energetic.

While they explored different forms of communication from the past and the present. By this activity students reconnected the future generation to the living heritage - the Indian Postal System and it was indeed a great step to revive the fallen glory of the postal department. The students came to know that without the services of our post offices, it would be very difficult for the whole world to stay connected and be one. They were able to recognise that letter writing remains an important skill, even in the age of digital technologies.

P.T.M.

"Parents+Teachers= Successful students"

Parent involvement is the foundation of students' success and a bright future.

TAGS conducted PTM for Grade Nursery to X on 23rd October 2021. The main purpose of the PTM was to create a common platform where teacher and parents come together to discuss the performance of students in Term- 1 exam. It also focused upon enriching the students' educational experiences and help students to do better in future.

There was a special assembly performed by the students of Grade VII. The theme of the assembly was 'Diwali'. The students won the heart of audience through their exemplar performance. The assembly concluded with a pledge to celebrate pollution free Diwali.

Aaryan Aahvaan

"Darkness cannot drive out darkness: only light can do that. Hate cannot drive out hate: only love can do that."

The Aaryan Global School celebrated Aaryan Aahvaan for grade IV and V on the theme 'Ramayana - The Epic Story'. The day was filled with fun, frolic and amusement. It was a spectacular and spellbound programme. Audience kept cheering the students for their wonderful performances. The event unfolded with the lighting of the lamp and welcome of parents and was followed by fantabulous performances. The students presented an amazing role play on the Life of Lord Rama. A wonderful role play on Ramayana brought all the energy of Festival into the heart of our school.

The most well known story behind Diwali is in the Ramayana, the great Hindu epic about prince Rama and his wife Sita. This important literary work was shared orally and through dance for centuries, to throw light upon it students of Grade IV and V laid important cross-cultural concepts like the power of good over evil, knowledge over ignorance, freedom over oppression. Our students vividly imagined and physically embodied the different roles, dramatic situations and actions of the main characters in the Ramayana as they retold elements of this epic story through skit. By retelling the famous story through drama children improved their cultural understanding and confidence in self-expression. It was a memorable and fun filled day
