New Delhi: BJP AAP and Congress had one thing in common while giving tickets to candidates - all have given relatives of former and existing MLAs and senior party functionaries.

BJP has fielded former MLA Tarun Singh Marwah's son, Sardar Arjun Singh Marwah, from Lajpat Nagar. Tickets have been given by BJP to former mayor Narendra Chawla's wife, Urvi Chawla, from Jankipuram West and former deputy mayor and councillor from CR Park Subhash Bhadana's daughter, Kanchan Bhadana Choudhary. She's active in the party for 10 years and was an executive member of New Delhi constituency.

However, Delhi BJP chief Adesh Gupta said, "Tickets have been given to relatives in very few cases. The party has ensured that there is representation of each segment as members from different states and sections live in Delhi."

More than 1,100 nomination papers rejected

New Delhi: The Delhi state election commission (DSEC) rejected at least 1,131 nomination papers after scrutiny process till 10 pm on Wednesday. In total, it received 2,585 nominations till November 14 from 15 political parties and independent candidates for municipal corporation elections.

"Of the total nominations, 1,389 were validated while no application was withdrawn till late evening of Wednesday. 2,585 nominations received, 65 are pending for scrutiny and these will be done by the returning officers on Thursday," said DSEC official.

The applications were rejected for various reasons, including mismatch of information and short of requisite documents. "The common grounds for rejection of nomination papers include incomplete nomination forms, missing affidavits, non-submission of valid caste certificate and other documents," said the official.

As per DSEC's data, so far, of the total 64 nominations filed by BJP candidates, 58 were accepted and 6 were rejected. Of the 728 nominations by AAP candidates, 466 have been rejected in Congress, 405 nominations were filed and 146 have been rejected.

ACB gets custody of ticket case suspect

Continued from P1

New Delhi: The arrested relative of AAP MLA from Model Town Akhlesh Pathi (Tripathi) in an alleged cash-for-ticket scam has been identified as Om Singh who lived at the official residence of the legislator in Model Town.

The PA has been identified as Shashi Shankar Pandey, and the third suspect as a friend of the MLA's wife, Shobha Khatri for his connections.

The complainant accused Tripathi of having demanded a bribe of Rs 90 lakhs to get tickets for the election. He claimed that he had paid Rs 35 lakhs to Tripathi and Rs 20 lakhs to the other MLA, Rajesh Gupta, of Wazirpur Khari said he assured Tripathi that the remaining Rs 35 lakhs would be paid by him after getting the tickets. On November 12, he did not find the name of his wife on the list of candidates released by AAP with the tickets for the ward having been given to someone else.

Thereafter Om Singh allegedly contacted Khatri and assured him that they would get a ticket in the next election. He also offered to return the bribe amount and submit audio and video recordings of his alleged dealings on paying and getting tickets back to him.

After due verification, a team led by ACP Rajender Kumar and inspectors Munish and RN Pathak was formed to investigate the case. The ACB chief added, "On the intervening night of November 15 and night of November 16, the residence of Khatri where accused Om Singh and his associates, Shiv Prasad Raghuvanshi, were trapped red-handed in the presence of independent witnesses when they came to return the bribe amount of Rs 35 lakhs out of a total of Rs 90 lakhs received by Khatri on behalf of MLA Akhlesh Pathi Tripathi," said the ACB chief.

The accused will be produced in court and the bribe amount has been seized.

Excise 'scam': Accused allowed to turn approver

New Delhi: A court on Wednesday allowed the application of Dinesh Arora to turn approver in the alleged Delhi Excise Policy 2022 scam case and granted him bail for Rs 10 lakh.

Earlier this month, Arora moved an application in the CBI court, requesting pardon, as he wanted to become a witness in the ongoing investigation. The court served the order on November 14, while allowing the application, the court stated his help will prove helpful to the CBI in establishing the missing link in the "chain of circumstances," which resulted in the criminal conspiracy of the "scam". The court also added that Arora, in a true and fair sense, had disclosed related facts.

Arora, who moved the application under Section 306 of Criminal Procedure Code, had told the court that he was "ready to voluntarily make a true and full disclosure of all the facts" regarding the case without any "pressure, coercion or undue influence" by the CBI.

Ending Arora's plea, the CBI had told the court that Arora had disclosed the true facts of the case, which were "self-evident". It added that Arora had disclosed the conspiracy of the transaction of money among the accused for deriving undue benefits from the provisions of the excise policy. It also said he had disclosed the hawala channels, vital for unearthing the conspiracy.

"I am ready to make a voluntary and true disclosure of all the facts and circumstances of the alleged offences. I have also made a confidential statement before the additional chief metropolitan magistrate regarding the facts and events pertaining to the commission of alleged offences," Arora had said.
