## About the College

Vaish Education Society Rohtak has a glorious past, a marvelous present and an excellent promising future. It owes its establishment in the very crucial period of our freedom struggle. It was a great privilege and rare moment in the history of Vaish Education Society to get blessings of the great soul 'Mahatma Gandhi ji – The father of the Nation' in the form of laying the foundation stone of our institution on 16 December, 1921. Vaish College, Rohtak was founded before independence on 10 June, 1946 and it is a premier coeducational, multi-faculty & Post Graduate institute for modern education in the region. The vision of the institution is to mould students into educated and cultured citizens with integrity of character who love our country & God and serve humanity. The mission of the college is “To provide quality education to all students irrespective of caste, creed, religion and socio-economic status to uplift the society as a whole and to maintain excellent academic standards through innovation and effective teaching-learning methods in a joyful environment.”

# About the e-seminar

The National e-seminar on Intellectual Property Rights aims to create awareness of the role of various forms of IP rights amongst academia, industry, students and government stakeholders to drive collaboration and innovation in the field of Intellectual Property (IP) protection. The e-seminar seeks to discuss the challenges and opportunities that arise from IP usage and its impact on society, industry, and the economy.

The primary objectives of the e-seminar are to identify current trends in the use of IP in both public and private sectors and to explore ways of increasing the benefits to both individuals and organizations from the development of effective IP strategies. Additionally, the e-seminar will provide an opportunity for participants to gain an understanding of the legal frameworks governing the use of intellectual property in India and different countries.

## Objectives of e-seminar

- The primary objectives of the e-seminar are to identify current trends in the use of IP in both public and private sectors and to explore ways of increasing the benefits.
- To analyze the present scenario of IP Rights at the national level.
- To spread general awareness regarding various IP Laws.
- To explore the challenges and possibilities relating to IP Rights.
- To examine the opportunities ensured by IP Rights for a better future.
- To disseminate the information and knowledge accumulated through interaction with different experts and scholars in the national arena.
- To create awareness about Legal Rights ensures that Inventors are protected from theft of their invention and prevents others from using their invention without permission.
